Dear Students,

Executive Vice-President for Education

Notice : Start of Classes for Second Semester (2021)

Classes for the second semester of 2021 will begin on October 1 (Fri.) with distance learning classes (online) only, however, from October 15 (Fri.) classes will both be conducted face-to-face and through distance learning (online) .

Students who moved outside of Kagoshima Prefecture during the summer vacation should return to their commuting base (e.g., Kagoshima City) by September 30 (Thu.), and monitor their health for two weeks before the start of face-to-face classes. In addition, there may be some differences in the start dates of some exercises, practical training, experiments, and skills training. Please follow the instructions from your faculty, graduate school, or the Center for General Education for details.

We will notify you again if there are any changes to the start of classes due to the future COVID-19 situation.
