- 水産学部 Fisheries

International Student Hall
国際交流会館（留学生寮）

Sakuragaoka 桜ケ丘 Campus

- 医学部 Medicine
- 歯学部 Dentistry

Faculties

■ **Law, Economics and Humanities**
- Law, Economics and Sociology
  - Law, Community Studies, Economics
- Humanities
  - Area and Cultural Studies, Psychology

■ **Education**
- School Teacher Training Program
  - School Education, Psychology Education, Japanese Education, Social Science Education, English Education, Mathematics Education, Science Education, Technology Education, Home Economics Education, Music Education, Art Education, Health and Physical Education, Special Need Education

■ **Science**
- Science
  - Mathematics and Informatics Program
  - Physics and Astronomy Program
  - Chemistry Program
  - Biology Program
  - Earth Science Program

■ **Engineering**
- Advanced Engineering
  - Mechanical Engineering Program
  - Electrical and Electronics Engineering Program
  - Ocean Civil Engineering Program
  - Chemical Engineering Program
  - Chemistry and Biotechnology Program
  - Information Science and Biomedical Engineering Program
- Architecture and Architectural Engineering
  - Architecture and Architectural Engineering Program

■ **Agriculture**
- Agriculture
  - Plant Production Resources Science Program
  - Bioresource and Environmental Synergic Science Program
  - Food and Life Sciences Program
  - Agri-Food Industry and Regional Management Program
- Special Course in International Food and Resource Sciences
  - Agriculture-based sub-course

■ **Fisheries**
- Fisheries Sciences and Technology
  - Aquatic Sciences, Fisheries Resource Sciences, Food and Life Sciences, Fisheries Economics, Aquatic Environment Conservation Sciences
  - Special Course in International Food and Resource Sciences

■ **Veterinary Medicine (Joint Faculty)**
- Veterinary Medicine
  - Basic Veterinary Science, Pathogenetic and Preventive Veterinary Science, Clinical Veterinary Science
- Animal Science and Welfare

■ **Medicine**
- School of Medicine
- School of Health Sciences

- Education Practice Research Course
- Professional Development Program for School Teachers

■ **Health Sciences**
- Nursing, Health Sciences
- Health and Nursing, Neuromotor Science, Clinical Neuropsychiatry

■ **Science and Engineering**
- Science
  - Mathematics and Informatics Program
  - Physics and Astronomy Program
  - Chemistry Program
  - Biology Program
  - Earth Science Program
- Engineering
  - Mechanical Engineering Program
  - Electrical and Electronics Engineering Program
  - Ocean Civil Engineering Program
  - Chemical Engineering Program
  - Chemistry and Biotechnology Program
  - Information Science and Biomedical Engineering Program
  - Architecture and Architectural Engineering Program
- Interdisciplinary Department of Science and Engineering

■ **Agricultural Sciences (The United Graduate School)**
- Science of Bioresource Production Biological Science and Technology Resource and Environmental Science of Agriculture, Forestry and Fisheries

■ **Agriculture, Forestry and Fisheries**
- Agriculture, Natural Resources and Forestry
- Food Innovation Science
- Field Environment Science
- Fisheries Resource Science

■ **Veterinary Medicine (Joint Graduate School)**
- Veterinary Medicine

■ **Medical and Dental Sciences**
- Medical Science
- Health Research
- Advanced Therapeutics

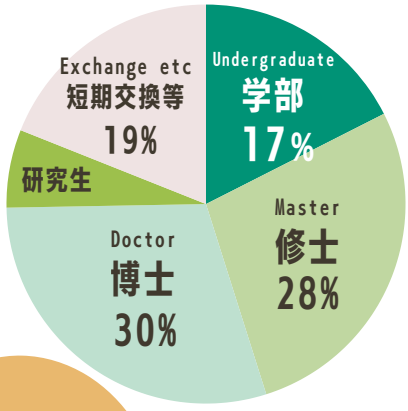

■ **Clinical Psychology**
- Clinical Psychology
