

Bridging Borders: An Intercultural Internship in Osaki

Connect Cultures. Explore Japan. Shape Your Future!

What is This Program?

This unique program offers a **collaborative work experience** for **Japanese and International students** to explore Japanese industries, corporate structures, and work practices directly in **Osaki Town, Kagoshima Prefecture**. Paired together, you will tackle real-world regional challenges, fostering **innovation** and striving to create new value that transcends existing frameworks. It's an opportunity to understand what it takes to connect a local community with the global stage.

Why Should YOU Join?

- **Hands-on Experience** in a Japanese industry.
- **Contribute to Regional Revitalization** efforts.
- Reflect on your **Future Career Path** and life choices.
- **Create Innovative Solutions** with diverse perspectives

Note: Your accommodation and local transportation in Osaki will be provided free.
